

UNIVERSAL PEACE MERELY A DREAM

(Correspondence of Associated Press)
SYDNEY, Australia, Oct. 25.—"I see no likelihood just yet of universal peace," said Lieutenant-General Sir Harry Chauvel on returning from war service in Turkey and Egypt. "Until this is within sight we must be prepared for war," he added. Sir Harry was the commander of the famous Anzac corps and leader of the Australian Light Horse and New Zealand Mounted Rifles in Egypt and Palestine.

German music is being used in Paris theatres again, according to press dispatches. Is it possible these Parisians are not patriotic?

NYE COUNTY ROADS RECEIVING ATTENTION

C. C. Cottrell, state highway engineer, and Walter N. Frickstad, senior highway engineer of the federal road bureau with headquarters in Ogden, accompanied the county commissioners yesterday on a survey of the new section under construction between Tonopah and McKinley's Tanks. This is the section about which complaints were heard concerning the width, lack of stability and absence of turn-outs, all of which were explained by Mr. Cottrell to the satisfaction of the commissioners.

The road has not been opened to traffic yet and it is not intended to be opened until the foundation has had a chance to settle after the early snows and rains. The contract meaning completion is merely a grading contract and does not include the top dressing or surfacing of the road.

"Bids for the Walker Lake construction will be opened about the first of January so that by the end of 1920 there will be a water grade between Las Vegas and Carson City with Lakeview Summit, south of Gardnerville, as the highest point. One more project which will benefit Nye county," added Mr. Cottrell, "is the improvement contemplated for the eastern end where a road has been surveyed between Nuala and Butler's ranch that will eliminate forty miles of bad road. The United States bureau of roads is making this survey from Currant into White Pine county and we are confident that work on this section will begin next spring."

WHERE UNBELIEVERS GAIN ADVANTAGE

(Correspondence of Associated Press)
MINNICH, Nov. 6.—Archbishop Faulhaber declared at a meeting of Bavarian Catholics that the German government, by separating church and state, was undermining all state authority. He said amid great applause that every unbeliever had the right to refuse to take the tax oath, since by taking it believers were being misled of their last cent while non-believers were not taking the

Judging from the special election results the league of nations has lost the home in Oklahoma.

Maybe those fellows down in Oklahoma who edged Senator Reed were

alien enemies and couldn't vote.

We suggest that Bill Hobenzoller's trial be held in Paris so that the ex-kaiser will have his long sought opportunity of taking dinner in the old town.

Speaking of popular candidates for president of the league of nations—how about Santa Claus?
